Professional Summary

Fitness Trainer and Personal Trainer with professional coaching experience in Kolkata since 2021, specializing in one-to-one and group coaching. Proven track record in designing goal-based workout programmes for fat loss, muscle building, metabolic conditioning, and posture correction. Holds a Diploma in Personal Training (K11), Certified Personal Trainer qualification (NIFS), and CPR & First Aid certification. Focused on biomechanically sound exercise demonstrations, client accountability, and long-term training habits.

Core Competencies

- **Personal Training:** One-to-one bespoke coaching, group fitness instruction, and individualized workout programming
- **Fitness Goals:** Fat loss, hypertrophy, body recomposition, weight management, strength, and cardiovascular conditioning
- **Exercise Instruction:** Progressive resistance training, lifting biomechanics, technique demonstrations, and form correction
- **Mobility & Flexibility:** Dynamic warm-ups, post-workout cool-downs, corrective stretching, and joint prehab protocols
- **Programme Management:** Periodized workout planning, progressive overload tracking, and client progress adaptation
- **Client Support & Safety:** Training consistency, foundational nutrition education within trainer scope, and CPR/First Aid

Professional Experience

Fitness Trainer | Born 2 Fit Gym *2026*
Gourongo Nagar, Kolkata

- Guide members on the fitness floor, demonstrate biomechanically sound lifting form, and reinforce gym floor safety standards.
- Assist clients with goal-based workout routines, exercise technique coaching, and consistent habit loops.

Fitness Trainer | Body Basics Gym *September 2024 – Present*
Manikanta, Kolkata

- Deliver bespoke one-to-one personal training and high-energy group coaching tailored to diverse client capabilities.
- Develop and adapt structured workout blueprints for fat loss, hypertrophy, endurance, and general fitness.
- Monitor progress markers, adjust lifting volumes, and provide evidence-based lifestyle and basic nutrition education within trainer scope.

Fitness Trainer | Fitness Fast Gym & The Workout Zone *2021 – 2024*
Haldiram and Kestopur, Kolkata

- Provided general fitness instruction, exercise demonstrations, and equipment safety supervision across high-volume memberships.
- Guided clients through structured workout routines, proper equipment utilization, and sustainable training consistency.
